WHAT THE GRADE RATINGS MEAN.

✓ A+ An incumbent with not only an excellent voting record on critical NRA issues, but who has also made a vigorous effort to promote the Second Amendment.

✓ A Solidly pro-gun candidate. An "A" incumbent who has supported NRA positions on key votes. May also describe a non-incumbent "A" candidate (one not represented with an "I") who has previously held other office and cast consistent pro-gun votes, or an "A" candidate who hasn't held office but has expressed strong support for NRA positions on Second Amendment issues. It should be noted that a "non-incumbent" candidate may have been awarded the "A" rating due solely to their responses on the NRA-PVF candidate survey.

✓ B A generally pro-gun candidate, but a "B" incumbent may have voted for some restrictive legislation in the past. A "B" candidate who hasn't held office may have made some statements or taken positions against the NRA on some issues.

✓ C Not necessarily a passing grade. A "C" candidate may have cast some pro-gun votes in the past but has also recently cast key votes or made some statements contrary to NRA positions on key issues.
